    - http://dev.mygrid.org.uk/wiki/display/taverna/User+Manual
      - Linked to from inside Taverna Workbench

Starting Taverna

Nearly all uses of Taverna require internet access. Please make sure you have a working internet connection before trying to use Taverna

- Start Taverna Workbench Biodiversity 2.5
- If you have any problems starting Taverna, let us know

myExperiment perspective

- Switch to the **myExperiment perspective**
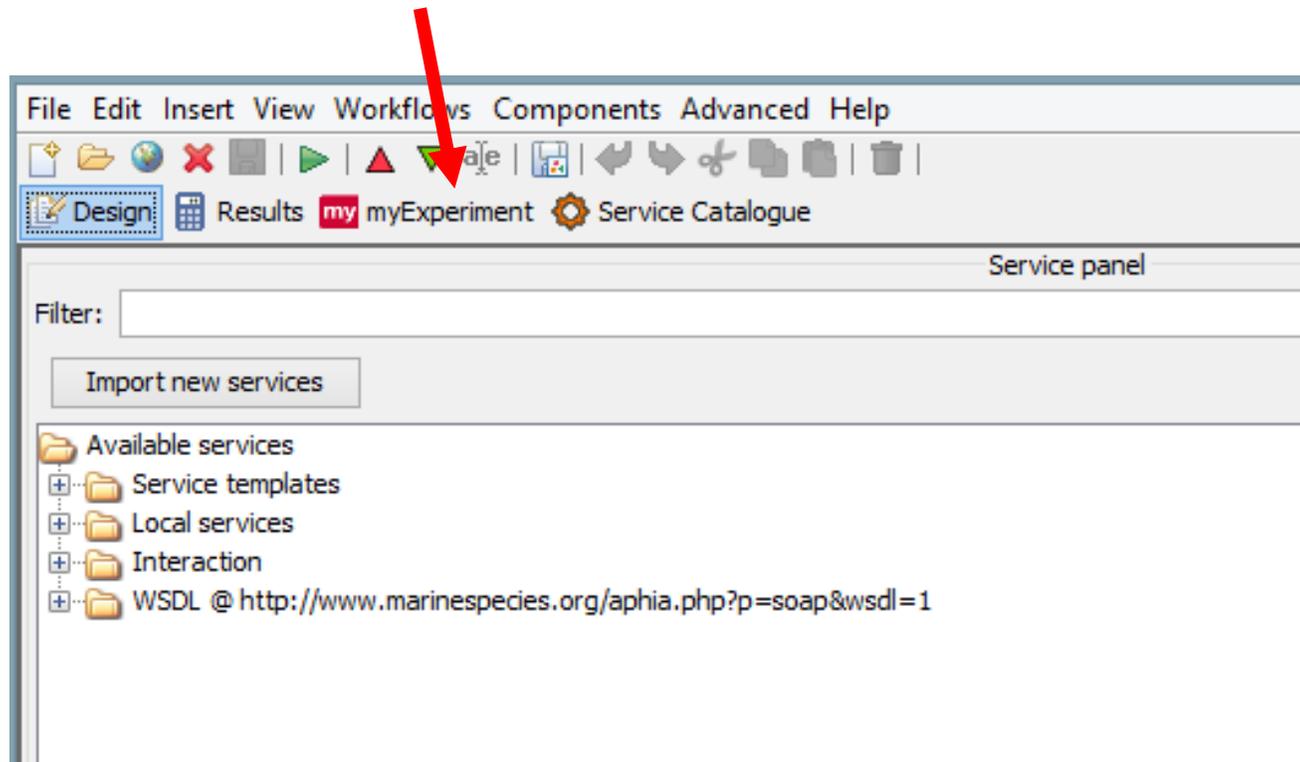

Starter pack

- Click the **Starter Pack** tab
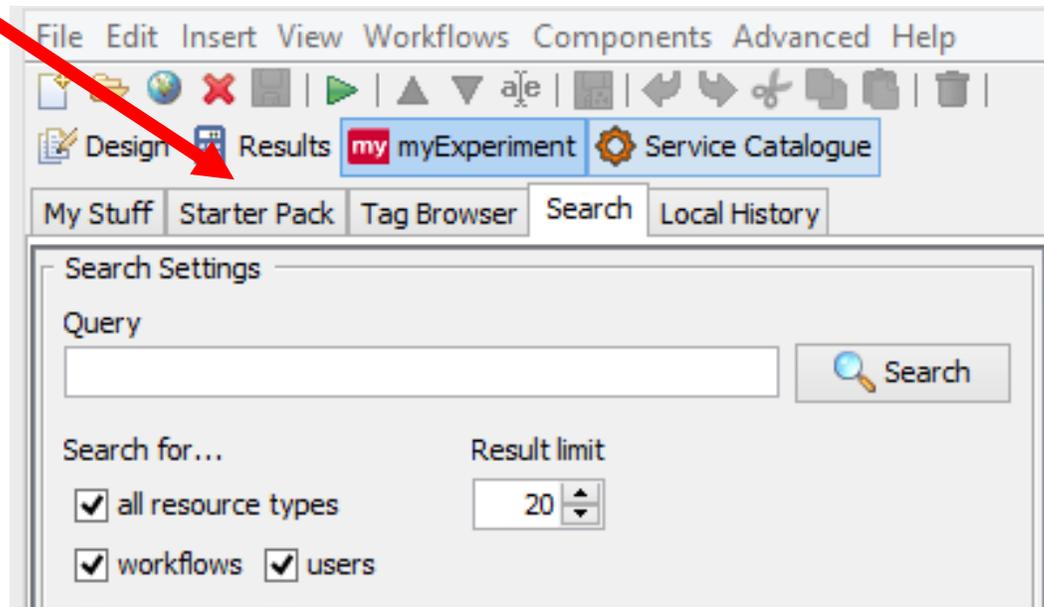

Opening a workflow

- Scroll down to *Fetch today's xkcd comic*

- Click the **Open** button
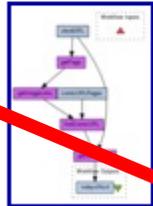

Running the workflow

- Taverna should switch to the **Design** perspective and show the workflow

- Select **Run workflow** from the **File** (or **Taverna** menu)

- Taverna should switch to the **Results** perspective

- All the boxes in the picture should turn grey

Run workflow
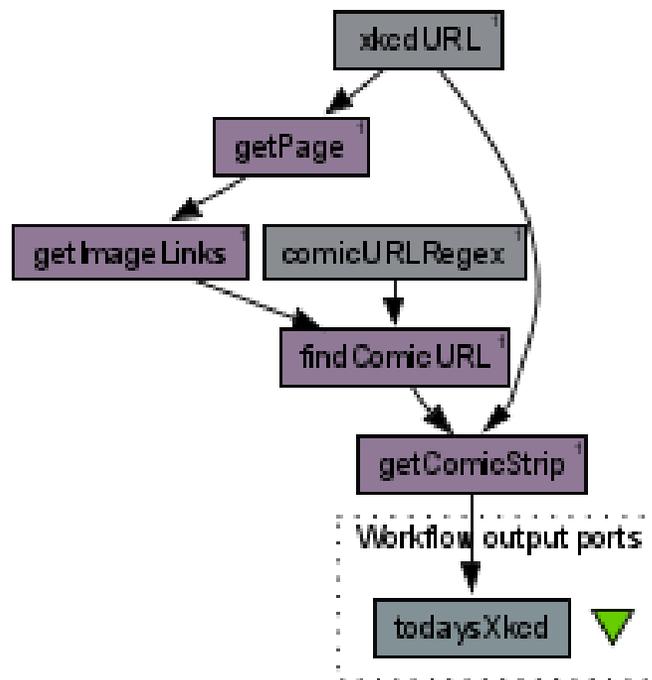

Results

- You can look at the comic by clicking *Value 1* under *todaysXkcd*
